Re: Southern NH Planning Commission FY 2009 – FY 2012 TIP
March 2009 Revisions

Dear Mr. Watson:

The purpose of this letter is to inform you that the Southern NH Planning Commission (SNHPC) has adopted a change to the SNHPC FY 2009-FY 2012 TIP. The change was made under the expedited TIP revision procedures in the SNHPC Prospectus approved by the Metropolitan Planning Organization (MPO) on April 22, 2008. The change was completed in response to a request made by your office on March 12, 2009. It is our understanding that the effect of this change on the fiscal constraint of the STIP will be considered as part of the next full amendment or update. It was previously determined through the Interagency Consultation process that the changes do not impact the air quality analysis used for the current conformity determination.

If have any questions or require further information, please do not hesitate to contact Tim White at (603) 669-4664 or thwhite@snhpc.org.

Sincerely,

SOUTHERN NEW HAMPSHIRE
PLANNING COMMISSION
